TEAM 1699

ROBOCATS

Join our team!
No experience needed

Be a Robocat!

There are many skills that you can learn to help build the robot.

- Welding
- CAD
- Programming
- Hand tools
- Power tools
- Milling

We work with all kinds of materials, including wood, metal, and plastics.

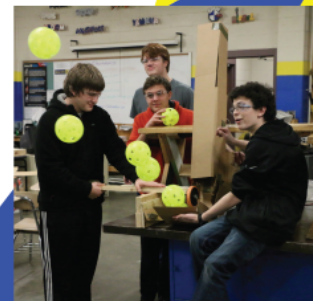

Videographers, photographers animators and writers promote our team.

Students Build!

Students Design!

We Decide!

Make Friends!

We compete with other teams from all over New England in a new challenge every year. All teams have six weeks to build a working robot to complete various tasks, such as shooting a ball, climbing a rope and crossing obstacles.
